

Lapsed Licenses to be reviewed and considered to be dropped at the Board Meeting of July 12, 2018

In order to reinstate any CO, EMB or FD dropped license, it is necessary to pay all past-due fees plus a penalty in the amount of the current renewal fee and to meet all current Kansas licensure requirements. All past due continuing education hours must be made up within one year of reinstatement in order to be licensed on an active basis. AFD's who have not passed the written examination must pay AFD application and examination fees and pass a written examination.
